

Brevard Elementary School
Partners in Education Contract

The Transylvania County Board of Education has adopted a policy for student accountability for academic achievement which states, "Believing that all students can learn, Transylvania County Schools teach the skills necessary for productive citizenship. The Board of Education holds high expectations for the staff, students, and community and believes accountability must be shared by staff, students, parents, and the community." Brevard Elementary completely agrees with this county view and feels parent support and involvement is of utmost importance. Together, unbelievable things can be done for the students we share. Therefore, we invite parents, students, and teachers to become "Partners in OUR Children's Education" by committing to the following contract:

A student will:

- Come to school prepared to work with the necessary materials, rested, and with a positive "I Can Do This" attitude.
- Complete homework and classwork assignments on time.
- Ask for help when needed.
- Collaborate with peers and strive to BEE creative.
- Follow all school rules and try to bring your best self every day.

Signed _____ Date _____

A parent will:

- Be a partner in _____'s education at Brevard Elementary.
- Make every effort to get the student to school on time (no later than 8:00) and to remain at school until dismissal time.
- Support after school or before school remediation (if necessary) by providing transportation, encouragement, and additional help at home.
- Check completion of homework every night.
- Contact the teacher with concerns about school work or progress.
- Support the school staff in their efforts to promote positive behavior through our PBIS system.
- Read, sign, and return teacher communication in a timely manner.
- Attend parent/teacher meetings as requested.

Signed _____ Date _____

The classroom teacher will:

- Explain expectations, instructional goals, and the grading system to parents and students.
- Teach the North Carolina Standard Course of Study to the depth necessary for the students to be successful in upcoming school years.
- Provide a classroom climate for successful learning.
- Communicate with all parents through report cards and other methods such as the Parent Portal.
- Respect cultural and other differences of all students.

Signed _____ Date _____

The administrative team will:

- Support BES students, parents, and staff to ensure each child reaches his/her potential.
